## 60+ benchmarks

Our 18th annual Children's Hospitals Executive Compensation Survey includes compensation data from executive and director positions exclusively at children's hospitals.

### SURVEY FEATURES

- Participation includes over 40 of the nation's premier, independent, and subsidiary children's hospitals
  - Features data represented separately for over 30 organizations that are a children's hospital within a hospital facility
- More than 60 executive and director level positions surveyed
- Comprehensive data on:
  - Salaries
  - Salary increases
  - Incentive opportunities
  - Incentive awards
