

Physician Compensation and Production

PARTICIPATION OPENS: **January 3, 2017** PUBLICATION: **September 2017**
For updated participation and publication dates, please see our website.

120+ physician specialties

Our second annual Physician Compensation and Production Survey provides valuable insight regarding clinical and total cash compensation paid, productivity, and pay practices for employed physicians, as well as market trends in physician compensation.

SURVEY FEATURES

- Data on more than 120 physician specialties found in the market
- Comprehensive source for physician compensation data
- Data reported nationally
- Data on total cash compensation, including pay practices (e.g., call pay, production and quality incentives, medical director and administrative pay), compensation philosophy, and governance practices
