

Susan McGannon is Area Executive Vice President, Finance & Administration for Integrated Healthcare Strategies, a division of Gallagher Benefit Services, Inc. Prior to joining Gallagher Integrated, Ms. McGannon spent seven years at the international public accounting firm, Price Waterhouse Coopers, as well as two years at Sprint. During this time, she gained significant experience and lead project work in pre and post acquisition engagements, financial audits, process improvement, and IT audits across a variety of industries.

In Ms. McGannon's more than 20 years with Gallagher Integrated, she has served in various roles with responsibilities that have included leadership of financial, human resources and administrative operations, integration into several parent organizations and systems, acquisition review, and design of compensation systems. She also serves as an influential member of the Senior Executive and Strategy Teams. She has been instrumental in leading the efforts in integration, alignment, cost reduction, compensation redesign, financial statement redesign, and systems and process improvement.

Ms. McGannon received her B.S. degree in Accounting from the Oklahoma State University and her CPA in 1984.
