Short Term Wins for Long Term Success

QUICKLY AND EFFICIENTLY PLACE INTERIM LEADERSHIP

Our Interim Leadership services assist healthcare organizations with unexpected executive or director-level position vacancies.

We provide interim leaders with the capability and experience to hit the ground running, immediately taking on leadership responsibilities to provide stability and continuity within your organization.

Gallagher Integrated consultants work with you to quickly understand the leadership challenges and opportunities facing your organization. We will develop an accurate profile for your ideal interim leader that reaches beyond a standard job description.

Our expansive network contains thousands of seasoned healthcare leaders, allowing us to match your needs with the right interim leader.

We select and present up to two of the best qualified professionals, so you can make a decision and gain resolution without delay.

How effective is Gallagher Integrated for interim search? Our tested and proven process can place an interim leader at your facility in as little as two weeks.
